Introduction

Founded in 1964, Winton Road Nursery School holds a permanent Charter issued by the State Education Department and a Certificate of Registration from the Education Department of the University of the State of New York, renewed in 1998. WRNS is an equal opportunity employer. The School employs five teachers, two assistants and an operations manager.

Our Philosophy

At Winton Road Nursery School, children learn through experimentation, manipulation, and observation. Creative and dramatic play, art projects, music, and circle time activities combine to nurture social skills and language development, encouraging confidence and independence in every child. Children spend time outside almost every day.

Our goals are to assist children in:

- Building self-esteem, confidence, and Independence
- Making their own decisions and choices
- Experimenting, asking questions, and solving problems
- Expressing creativity
- Laying foundations for good social relationships
- Developing emergent writing, literacy, and language skills

Each Big Nursery homeroom (ages 3-5) follows a similar daily routine:

- The children arrive and are greeted by their teacher and begin to settle in. During this time you will observe children choosing materials and toys specifically set out by their classroom teacher. The teachers act as facilitators guiding the children.
- Teacher-directed circle time
- Visiting time. It is during this time that the children are free to move among the three rooms: the Art Room, the Housekeeping Room, and the Big Muscle Room, each of which has child-sized bathrooms and a comfortable cushioned bench for reading time and visiting with friends.

Our Young Nursery is Winton Road Nursery School's program for 2 and young 3 year olds. The philosophy of Young Nursery is the same as that of the nursery school, but the environment is specifically designed for the younger child.

WRNS was founded on the concept of semi-cooperative nursery education. Parents are members in a non-profit, non-sectarian corporation that administers the school through an appointed Board of Trustees. Parents have the opportunity to guide their child's first school experience as they share in decision making and committee service.

Parent Responsibilities

Our school is a nonprofit organization. As a semi-cooperative school, we attempt to keep tuition as low as possible by offering our time and help as needed.

For "Big School" students, each family is required to serve on 2 work committees, accept a Board position, or choose the "buy-out" option.

Young Nursery parents are required to assist in the classroom on a rotating basis. Parents must make external arrangements for child care of younger siblings while working in the classroom.

Parents shall:

- Attend the orientation meeting and scheduled parent-teacher conferences.
- Participate in the mandatory Social workday, prior to the start of the school year. **This Includes buy-out parents.** The purpose of this event is to prepare the school for the upcoming year. Parents who cannot attend this workday will, as deemed necessary by the board and staff, perform some other task for the school during the school year.
- Have their child examined by a physician within the year prior to the opening of school. The child will have all required immunizations.
- Return appropriate medical forms to school prior to the beginning of the school year. Children are not able to attend school until the forms are submitted.
- Provide transportation for their child to and from school.
- Provide a snack for the entire nursery school on a rotating basis. Young Nursery parents provide a snack for the entire Young Nursery class on a rotating basis.
- Serve on 2 work committees, accept a Board position, or choose the buy-out option. Young Nursery parents will assist in the classroom on a rotating basis.
- Provide adequate supervision for their child and guests who may attend events conducted or sponsored by WRNS, either on school grounds or at other locations. Parents assume full responsibility for any risk of loss, property damage, or personal injury caused or incurred by such persons at such events, and acknowledge that WRNS assumes no responsibility for any such risk of loss, property damage, or personal injury.

All parents, **including buy-out parents**, may be asked to help with scholarship fundraising projects by making a suitable donation, not to exceed \$75.

Absences

Please leave a message at **585-442-8340** if your child will be absent.

Snow Days

Occasionally, the nursery school will be closed due to weather. You will NOT be called about these closings. Please listen for the announcements on WHAM, WVOR (radio), Channel 13 and Channel 10 (TV). School closings will also be posted on the school website. Snow days will be made up after the 2 day class misses one day and the 3 day classes miss two days.

Catastrophic Illness

In the event that there is not adequate staff coverage, school may be closed & families will be notified.

Dress

Children should be dressed informally -- very washable clothes -- for play. Slacks and rubber soled shoes are recommended. Children should bring clothes suitable for outdoor play every day (in winter: mittens, hats, boots, snow pants, etc.) . No scarves, please. All outerwear should be clearly marked with the child's name. Be sure mittens are securely attached. Use mitten clips or mittens on a cord. Part of the curriculum is to help the children learn to dress themselves; You can help by encouraging your child in this way. Verbal directions such as, "Put your snow pants on first " are helpful. Never do for a child what s/he can do for her/himself.

Parent Visits

Parents are welcome to visit school occasionally during the school year. Parents are also encouraged to share special interests or talents (dance, music, cooking, nature, etc.) with the children. Help from willing hands on days when there are messy projects is also welcomed. Please check with teachers if you are interested in scheduling a visit.

Parent Teacher Communication and Conferences

Communication between teachers and parents is an essential aspect of the philosophy of WRNS. One of the most effective means of communication with parents is through conferences. In this way, parents and teachers can work together toward consistent guidelines for children at home and at school. Child/parent orientation conferences are held in September before school opens. In January, parent/teacher conferences are scheduled for each child's family- with provided childcare. If parents have questions or concerns at other times throughout the year, they should contact their teacher to arrange for additional discussion.

Email Guidelines

Email communication should not be used as replacement for phone calls or conferences, but rather to augment them, as a means to broaden the contact between teachers and families. Below are some guidelines for using email to contact your child's teacher.

- Please do not email absence notices, early excusals, permission for another individual to pick-up your child, etc. to a teacher. There is no guarantee these messages would reach your child's teacher in time. Please call the office (442-8340) or speak to your teacher in person about such matters.
- Feel free to use email should you want to schedule a time to call your teacher at home, to schedule a time to meet in person, or to relay simple information regarding your child. Serious matters should be discussed by telephone or in person.

Other WRNS Social Media

WRNS maintains two Facebook accounts:

1. For outreach and advertising purposes, we use:
"<https://www.facebook.com/WintonRoadNurserySchool>",
and the webmaster welcomes your thoughts or contributions to improve it.
2. We also have a voluntary closed group (which means that only members can see posts in the group, and a group admin must approve any new members) for this year's families to coordinate playdates or share information of likely interest:

<https://www.facebook.com/groups/565372487002162/>

All family members are welcome to join this group, but membership is not required.

Snacks

Parents provide a nutritious snack for the school on a rotating basis. A monthly snack calendar will be posted on the bulletin board outside the classrooms, in the monthly newsletter, and on the closed facebook group. Please check the snack calendar frequently and make arrangements for a substitute if needed. The kids are counting on you to bring snack on your day.

Quantities To Bring

- 2 Day, 3 Day, and 5 Day programs: 35- 40 portions, napkins and 5 oz. cups.
- Young Nursery program: 15 portions, napkins and 5 oz. cups.

If your child has a food allergy, it should be noted on the medical form. If the allergy is to something such as milk or peanuts (which are common in many foods), you are requested to provide a snack for your child; in this case, participation in the snack rotation is voluntary. PLEASE, carefully read the Health & Wellness policy in the School Operations and Policies section of this handbook for detailed information on how the school handles food allergies!

What To Bring For Snack – Some Pointers and Ideas

- **All items brought to school must be packaged, prepared foods.** This is due to Health Department regulations.
- Snacks should either be individually pre-packaged portions or in large containers.
- Items from bakeries, such as bagels, are permitted (note, most bagel shops will pre-slice bagels if requested).
- Fruit such as apples is fine. If additional preparation such as slicing fruit is required, the teaching staff will complete preparation while wearing gloves.
- A refrigerator and freezer are available for storing snacks during the school day.
- **Teachers request that choices of flavors be limited** (i.e. bring in all the same flavor of yogurt). This makes administering snack a smoother process and reduces the disappointment experienced by children who enjoy having the same snack as their friends.
- Snacks that tend to be popular:
 - Yogurt (in cups) or Drinkable Yogurt (with straws). **No Yogurt in tubes.**
 - Bagels, plain or with cream cheese
 - Fruit such as Bananas, Apples, Fruit Cups (with spoons) or Raisins
 - Pretzels, Goldfish (or Cheddar Bunnies), Crackers, Teddy Grahams, Animal Crackers, Ritz Bits w/ Cheese, Pirates Booty, Cheerios or other dry cereal
 - Cheese Sticks or pre-cut Cheese Cubes

What Not To Bring

- Home baked or home prepared food - not permitted due to Health Department regulations
- Beverages - water will be provided with snack
- Cakes and cookies with sticky icing
- Yogurt in tubes

There is a list of specific snacks parents are asked not to bring posted on the hallway bulletin board and in the classroom to reference as necessary. If a snack from this list is brought in, the teachers will substitute a snack from their extra supply.

Pick-Up Procedures

Playground Dismissal

Weather permitting (if it's not raining or below 20 degrees) children are picked up at the end of the school day at the playground gate; Please do not come back into the school. One or two teachers will be at the gate at dismissal time. Other staff will be supervising the rest of the playground area. The staff at the gate will require you to sign your child out.

At our circle time in each homeroom, the teachers will go over safety rules with each group. The children will be told the following:

- Children are to meet their parents or caregivers at the gate only.
- Only teachers are allowed to open the gate.
- There is no hanging over or playing on the fence.
- Bicycles will be parked at the Big Muscle Room 5 minutes before dismissal time.

No parents/caregivers/siblings will be allowed onto the playground at dismissal time; Please do not come into the playground area to pick up your child. The teachers will dismiss children from the gate only. Do not lift your child up and over the fence. The teachers need each caregiver to initial the sign-out sheet before a child is released through the gate. Please be mindful of where your child goes once you have signed the release; the teachers are transitioning responsibility of the child to you at this point and cannot be held responsible for wandering children once they are in the care of a parent/guardian/caregiver.

Please come to the gate on time and leave with your child promptly. We want the children to learn that when they see their parents, it is time to go to the gate. Sometimes when children see their parents, but the parents are engaged in conversation and are not yet at the gate, it is very difficult for them to wait.

Please note that some children watch their parents drive into the parking lot. If your child has seen you and knows that you have arrived, he or she may have a difficult time waiting for you to come to the gate. If parents come early but still want their children to play longer, the children do not get a consistent message.

When children are running and playing or parents are socializing just outside the gate, the area becomes congested and there is increased risk of confusion in terms of children getting to the correct parent/caregiver. At times, families visit on the church grounds after dismissal; the children on the playground see this and they are naturally drawn to that area. Please collect your children and go directly to your cars for dismissal.

Please leave your pets at home or in the car. Most of us love dogs and small pets, but some do not. There is also the added confusion of barking, tangled leashes and the few instances of fear and allergies to consider. In the spirit of calm, organized pick-up we thank you in advance for your consideration and following of this important pick-up procedure.

Indoor Dismissal

In case of inclement weather, the teachers will dismiss from inside the building. When dismissing from inside, each homeroom door will open at dismissal time. The teacher will ask the children to sit in a circle in their rooms. Your child's teacher will ask each of the children to come to the door one at a time to meet their parent or caregiver. Parents should come to the door to meet and sign out their child so that the teacher is confident that you are together at that point. If you need to pick up your child early, please knock on the door and let your child's teacher know.

Late Pick Up Policy

Parents are expected to pick up their children at school no later than the class finish time; Please make arrangements for a prompt pick up each day. Late pick ups will not be tolerated. Picking up your child late greatly inconveniences our staff, and can also upset your child.

- First Occurrence: If a parent is late, a verbal warning will be given and documented by the teaching staff. This will be kept in the child's file.
- Second Occurrence: If a parent is late a second time, written documentation will be given to the parent and a copy will be kept in the child's file. The Operations Manager will be notified as well and a bill will be sent to the parent in the amount that is due.
- Third Occurrence: After the third occurrence of a parent being late for pick up, the teaching staff will notify the Operations Manager and a bill will be sent to the parent. Written notice of the school's late pick up policy will be provided along with the bill.

Failure to pay these fees or a fourth occurrence of late pick up will result in your child not being able to attend school, and you will forfeit the remainder of tuition for the year.

Late Fees:

Second Occurance:	5-15 min: \$15
	More than 15 minutes: \$25
Third Occurance:	\$75

Illness Procedures

Please call the school at 442-8340 if your child will be absent. Use the following chart to determine when you should keep your child home from school.

Disease	Incubation Time	Exclude From School	Remarks
Mumps	14-21 days	Until all swelling is gone. Minimum of 1 week after onset of swelling on either side.	Less contagious than the other common infectious diseases.
Measles	14 days (to first appearance of rash.)	Minimum of 1 week from appearance of rash.	Highly contagious if child is not protected by vaccine.
Chicken Pox	10-24 days	Minimum of 1 week from first appearance of rash. All scabs should be dry (without pus) before child is allowed back in school.	
German Measles/ 3 day measles	14-21 days	Until rash is gone (5 to 7 days).	Mildly contagious.
Strep Throat or Scarlet Fever	2-5 days	48 hours after treatment has begun.	Non-contagious after 48 hours with initiation of treatment and may attend school if treatment continued.
Fifth Disease	4-14 days; can be up to 20 days	No exclusion - by the time symptoms develop, children are no longer contagious.	Contagious. Symptoms include lacy pink rash on trunk & extremities, slapped cheek appearance on face. Infection during pregnancy can have harmful effect on fetus.
Impetigo	2-7 days	Until all spots of skin sores dry and are scabbed over.	Usually a strep infection of the skin. Highly contagious, needs treatment.
Head Lice	3-14 days	Until after special medicated shampoo is used and clothing and personal items have been thoroughly washed, and scalp and hair are completely nit-free for 24 hrs.	Contagious.
Pink Eye Conjunctivitis		48 hours after treatment is begun.	Highly contagious, needs treatment.
Hand, Foot & Mouth (Coxsackie virus)	3-5 days	Until blister like skin lesions disappear	Mild, contagious.

In general: Your child should remain at home if he/she has a fever, vomiting, or diarrhea or if he/she is acting listless or not him/herself, and for at least twenty-four hours after these symptoms have ceased. If you bring a child in any of these conditions, we must insist that he/she return home.

To Help Your Child and the Teacher

1. Please let us know if something unusual is happening (good or bad) in your child's life and/or if he/she will not be in school. This aids us in planning for both the individual and the group, and in providing the best possible school experience for your child.
2. Blankets and cuddlies are acceptable. Other toys should be left at home.
3. Please label clothes and tote bags to help prevent lost items.
4. Please arrive promptly at school. If you are early, it is hard for your child to wait patiently. If you are late, it makes it harder for your child to become involved with activities and other children.
5. Please arrive promptly at dismissal time. It is very difficult for the child who is the last one to be picked up long after the others have left.
6. Please check the snack calendar frequently and make arrangements for a substitute if needed.
7. There is no reason for your child to bring food from home for nursery school. Snack is brought by one parent for each day and is served mid-session (exceptions are made for children with food allergies).
8. Dress your child in clothes appropriate for the weather. We will spend time outside almost every day.
9. When making arrangements for after school play, please do so outside of school. Be considerate of the feelings of those children not included.
10. If you have a message for another parent, please see them or leave a note in their child's cubby. Time that teachers use to relay messages is time they cannot spend with your child. **Nursery school correspondence (registration, medical forms, tuition payments, etc.) should be sent to the appropriate individual via US mail.**
11. Please send tuition payments to the school's PO Box. Do not give tuition checks to your teachers or put them in the school collection boxes. Our mailing address is:

**Winton Road Nursery School
PO Box 10281
Rochester, NY 14610**

Finances

Our school is a nonprofit organization. We are a semi-cooperative school, and attempt to keep tuition as low as possible by offering our time and help as needed. Tuition is to be paid in four payments due April 1, June 1, September 1, and November 1, unless other arrangements have been made in advance with the Operations Manager. There is a 3% discount for full payments made by April 1, and a 3% sibling discount on the lesser tuition. The maximum combined discount is 5%.

Checks should be made payable to *Winton Road Nursery School*.

Tuition for 2016-2017

	Annual Tuition	April 1 Deposit	June 1 Payment	Sep. 1 Payment	Nov. 1 Payment
Young Nursery	\$1,396.00	\$349.00	\$349.00	\$349.00	\$349.00
2 Day	\$1313.00	\$328.25	\$328.25	\$328.25	\$328.25
3 Day	\$1948.00	\$487.00	\$487.00	\$487.00	\$487.00
5 day	\$3313.00	\$828.25	\$828.25	\$828.25	\$828.25

Please send payments to:

**PO Box 10281
Rochester, NY 14610**

If you have any billing questions, please contact the Operations Manager (see School Directory). Your timely payments are important to the proper functioning of the school. All tuition payments should be made within ten days of the due date. A late fee of \$30.00 is added when a payment is made later than ten days from the due date.

Returned Check Charge

There is a \$25.00 handling charge for each check returned by the bank for insufficient funds or any other reason.

Committee Buyout Option

A \$400 buy-out option exempts a family from the required committee work.

Should parents fail to fulfill their obligation for one or both committees, the parent will become obligated for the applicable buy-out fee.

Scholarship Program

Our scholarship program provides nursery school education for children who otherwise could not attend. The Scholarship Application deadline is in April, following open registration. Applications are anonymously reviewed by the Board Chairperson(s), Treasurer, Scholarship Chairperson, and Operations Manager. Selections are based on financial need.

School Bylaws: Payments and Refunds

- A. Tuition shall be set annually.
- B. The Registration Contract represents a binding agreement between WRNS and the student's parents which obligates the student's parents to pay to WRNS the full tuition for the entire year covered by the Registration Contract pursuant to the terms of the Registration Contract, and which obligates WRNS to provide a space in its classes for that student for that school year, provided there is sufficient enrollment in the class. If class enrollment is not sufficient, WRNS may, in its discretion by Board vote, cancel that class. As provided in the Registration Contract, parents are obligated to pay the full tuition for the entire school year covered by the Registration Contract except in the following circumstances and provided the Board approves the exception:
 - 1. Prior to February 1 of the school year, the student experiences an illness or develops a physical condition (as a result of illness or an accident) which, in the written opinion of the student's doctor (subject to review and discussion with the WRNS consulting pediatrician) would require the student's continued absence from school for more than four consecutive weeks or would otherwise render the student incapable of participating in regular classes and activities.
 - 2. Prior to February 1 of the school year, the student's family moves out of town (defined as a move more than 15 miles from WRNS) after signing the Registration Contract, in which case the student's parents will:
 - a. provide the Registrar within thirty calendar days written notice prior to the proposed date of withdrawing the student along with proof of new address and
 - b. assume financial responsibility for up to thirty calendar days after withdrawal or until a suitable replacement is found who is acceptable to the Registrar, whichever comes first.
 - 3. Prior to February 1 of the school year, the student is requested to withdraw by the Board or there is a mutual agreement between the Board and the student's parents that the student should withdraw. In either case, the following conditions precedent must be complied with:
 - a. the student shall have completed a "trial period" of six consecutive weeks of classes.
 - b. the student's parents shall have attended at least two parent-teacher conferences. A parent-teacher conference is defined as a prearranged meeting among at least one of the student's parents and the appropriate WRNS teacher and support personnel (as determined by the Director.) The conference shall last at least fifteen minutes. Attendance of both parents may be required at the discretion of the teacher.
 - c. the Director and the student's teacher shall have observed the student in class and shall have submitted written statements recommending the withdrawal of the student.
 - 4. At any time during the school year, the student's family elects to withdraw due to extreme financial hardship where new child care is necessary because of a change in employment, a written request with documented proof of said situation can be put before the board for consideration of tuition refund or release from the tuition contract.
 - 5. Prior to September 1 of the school year, the student elects to withdraw and a substitute student is found, either by the family seeking to withdraw, or by identifying a waitlisted applicant who agrees to take the withdrawing student's place and be responsible for tuition payments for the entire school year. To defray administrative costs of the registration process, the withdrawing family forfeits the April 1 deposit provided for in the registration contract.

C. Refund Policy

1. The April 1 deposit provided for in the Registration Contract is non-refundable except to the extent a refund is approved by the Board under the circumstances described in Section B, Paragraphs 1-4. The April and June payments are deemed to cover the twelve instructional weeks between September and November 30, and any refunds made after the start of classes will be prorated based on the number of instructional weeks which occurred prior to the withdrawal date.
2. If tuition for the entire school year has been prepaid prior to the commencement of classes, and a refund is approved by the Board under the circumstances described in Section B, Paragraphs 1-4, tuition will be refunded net of those instructional weeks which occurred prior to the withdrawal date (subject to the thirty days after withdrawal limitation established in Paragraph 2(b)).
3. If a June, September or November tuition payment has been made (and the April deposit has been received) and the Board approves a withdrawal under the circumstances described in Section B, Paragraphs 1-4, tuition will be refunded net of those instructional weeks which occurred prior to the withdrawal date (subject to the thirty (30) days after withdrawal limitation established in Paragraph 2(b)).
4. If a student is withdrawn from WRNS after the signing of a Registration Contract for any reason other than the circumstances set forth in Paragraph 1-5 of Section B, the student's parents will be obligated for a full year's tuition, whether or not prepaid.
5. No refunds of tuition will be given under any circumstances after February 1st of the school year.
6. Notwithstanding any other provision contained herein, in the event that WRNS cancels a class or modifies the class days based upon insufficient enrollment, or for any other reason prior to July 15th, all tuition payments, deposits, and registration fees shall be refunded. Said refunds shall not require Board approval.

D. Provision for late payment

1. All payments made later than ten days after the due date will be subject to a late fee.
2. Failure to remit the first tuition payment within ten calendar days of the initial due date may result in loss of enrollment after written notice at the Registrar's discretion.
3. If the June 1st tuition payment has not been made by September 1st (and enrollment has not previously been rescinded), the child will not be able to attend school until payment (including applicable late fees) is made. Failure to pay the installments due in September and November within 20 calendar days of the due date will also preclude the child from attending school until payment (including applicable late fees) is made. In cases of financial hardship, parents should contact the Operations Manager and make special arrangements.

School Operations and Policies

Nursery School Board

The operation of the nursery school is conducted by an elected Board which meets once a month. Parents are welcome and encouraged to attend Board meetings. A nursery school newsletter is published once a month and distributed by email. The newsletter is an important link of communication between parents, the Board of the nursery school, and the teachers. Each class also has a Parent Representative who serves as a liaison between the Board of Directors and the parents of the class they represent. Descriptions of board positions and responsibilities are available in the next section, as well as on the school website.

Staff

The hiring of teachers for the Winton Road Nursery School shall be the responsibility of the Board of Directors. A majority vote of the Board of Directors, a quorum being present, shall be required to hire a teacher.

The teachers, as stated in their contracts, are expected to abide by the Rules and Regulations contained in the Teacher's Handbook of the Winton Road Nursery School.

If a parent feels that a staff member is not fulfilling his/her responsibilities and/or abiding by the Teacher Handbook, he/she should request a meeting with the staff person to discuss these concerns. The complete Grievance Procedure can be found on the school website.

Toilet Training

Children are encouraged to be toilet trained by the start of school. If a child is not toilet trained, it is the parent's responsibility to discuss training progress with the teacher prior to the start of school. If a child experiences a period in his or her development when he or she requires frequent diaper changes, the school will notify the parent to discuss the situation. Time teachers spend changing diapers is time away from other children. **The toilet training policy does not apply to Young Nursery students.**

Summer Camp

The school typically offers a Summer Camp program during the two weeks following the end of school. Children bring their own healthy snack each day.

Parents of children with allergies who will be attending camp must alert the teachers and follow the same protocol as during the school year. The child's medication(s) and doctor's permission note must be kept at school.

For special snacks that the teachers may provide on any given day during camp, the following guidelines will be followed:

In our efforts to encourage healthy eating habits, the treats provided by teachers will, when possible, be low-sugar options such as all-fruit popsicles, Sno-cones using 100% juice as opposed to syrup, etc.

Health and Wellness Policy

Medicine Policy

As a general rule, the staff of WRNS does not dispense over-the-counter or prescription drugs to children.

A. Physician's Orders

All students with food allergies requiring medication(s) must have a current Emergency Care Plan (ECP) or Permission to Dispense Medication on file with the school on the first day of school. The plan must include:

1. Identified allergies
2. Written order for antihistamine and/or epinephrine as per medication guidelines
3. Instructions for when and how medication(s) should be administered

The doctor's orders should be stored with the student's medication(s).

Management of Students with Food Allergies

Winton Road Nursery School shares its classroom space with the First Unitarian Church of Rochester's Sunday School program. As such, **we cannot guarantee that Winton Road Nursery School is a peanut- or tree nut*-free environment.** However, we recognize the potentially serious health problems which can occur when children with food allergies are exposed to certain foods.

** Tree nuts include, but are not limited to, walnut, almond, hazelnut, cashew, pistachio, and Brazil nuts.*

In order to provide as safe an environment as possible for students with food allergies, the following guidelines have been put in place.

B. Parental Responsibility

The parent must indicate on the child's Personal History and Medical History forms that the child has an allergy. These forms are filled out in the spring and/or prior to the child's first day.

Before the first day of school, the parent should speak with the teacher about the child's previous allergic reactions, current management, knowledge of allergy, and degree of independence. The parent must also provide a completed Emergency Care Plan form (or Permission to Dispense Medication) along with the medication(s) ordered by the physician, labeled according to medication regulations.

The parent must also inform the teacher of any change in the child's health status or attending physician, and monitor the expiration dates of the medication(s).

If the child's allergy is to wheat, milk, or soy, which are common in many snacks, the parent is responsible for bringing a safe snack for the child on each day he/she attends school. The parent should then inform the Calendar Coordinator that the family will not be a part of the Snack Rotation.

If the child's allergy is to peanut or tree nut, the child may bring their own snack each day he/she attends school, and inform the Calendar Coordinator that the family will not be a part of the Snack Rotation.

The parent should leave a safe snack at school to be given to the child when the group snack is not on the child's approved list, or when children are given extra snack if they are still hungry. The snack left at school must be clearly labeled with the child's name.

C. Teacher Responsibility

Prior to the start of the school year, parents fill out a Personal History form and Medical History form for their child. Upon review of these forms, the Director will contact families of children with identified allergies to discuss specific guidelines for each child. In addition, the child's teacher will also call the family in August and/or prior to their first day to make sure all of the information being communicated between parents and the school is clearly understood.

All teachers will attend annual training in how to recognize the signs and symptoms of an allergic reaction, as well as when and how to use an epinephrine auto injector (Epi Pen). The training will be taught by a registered nurse and will take place prior to the beginning of each school year.

No obvious peanut or tree nut snacks will be served to students. In the case that an obvious peanut or tree nut snack arrives, a snack from the classrooms reserves will be served to all children.

There is a list of specific snacks parents are asked not to bring. Teachers will keep this list posted on the hallway bulletin board and in the classroom to reference as necessary. If a snack from this list is brought in, the teachers will instead give the class a substitute snack from their extra supply.

Each individual Emergency Care Plan (or Permission to Dispense Medication) will be reviewed by all staff members at the beginning of the school year.

In the case of a severe allergic reaction, the teachers will call an ambulance and then contact the parent. A teacher or other adult would stay with the child, including going in the ambulance and remaining at the hospital until the parent arrived.

D. Nutrition

WRNS is committed to the overall health and wellness of our students and, as such, strive to avoid the use of "junk food," candy, and other sugar-laden foods in the classroom. We do, however, permit the use of healthy foods when the food is an integral part of a lesson.

Holiday and Birthday Treat Policy

For the safety of our students with food allergies as well as the health of all children, we encourage the celebration of holidays (Halloween, Valentine's Day, etc.) and birthdays in non-food ways. Parents and teachers may include candy in goodie bags they might hand out to students. If this occurs, teachers will make sure treats are not eaten at school.

E. Physical Activity

As part of our commitment to our children's overall health and wellness, we participate in a variety of physical activities, including playground time (sometimes twice daily), indoor large muscle activities during inclement weather, and special visitors who focus on overall well-being (Zumba instructor, dental hygienist, etc.).

F. Accident Procedure

At WRNS, we make every effort to provide a safe environment where children can learn and grow. Just as at home, though, curious children who are busy exploring their surroundings may get hurt.

If a child gets a cut, bump, or bruise of a relatively minor nature, a teacher will provide comfort and appropriate care. She will tell the parent about the injury at the first opportunity. If, however, the teacher feels that a doctor's attention might be needed on other than an emergency basis, the teacher will contact the parent, inform him/her of the nature of the injury, and request her/him to come for the child.

We hope there will never be a serious injury at WRNS. If necessary, we would call an ambulance and then contact the parent. A teacher or other adult would stay with the child, including going in the ambulance and remaining at the hospital until the parent arrives. When an injury has occurred that may require treatment, a teacher will make follow-up contact with the parent to determine the nature and extent of the injury and to provide support for the family.

Discipline Policy

WRNS strives to provide a nursery school environment that allows children to feel comfortable and safe, letting them learn and grow as they interact with their peers. To help maintain this safe environment we feel it is necessary to document a discipline policy that addresses inappropriate and unacceptable behaviors repeatedly displayed by a child.

These behaviors include:

- Aggressive behavior towards other children and adults (i.e., kicking children, throwing sand in their face, hitting, punching or shoving other children, and other observed aggressive behaviors).
- Shouting or screaming at children or adults.
- Using toys inappropriately, where the use of toys becomes unsafe or a danger to other children or teachers.
- Disruptive behavior during circle time thereby making it difficult for the teacher to teach and for the other children to listen.
- Bullying.

If unacceptable behavior continues to be displayed after a parent(s) has been given written notification three (3) times, there will be a conference with the teacher, a director, and, if wanted, a chair, to develop a plan to deal with future occurrences of unacceptable behavior. This plan will include specific responses to any future occurrences of inappropriate behavior; parents must make themselves available to create and carry out this plan, which may include picking up their child from school, suspension, and removal of the student from WRNS. Teachers, in conjunction with the board of directors, reserve the right to construct this plan to best suit the needs of the student, his/her classmates, and the school community at large.

Termination of Care

The WRNS staff makes every effort to meet the needs of the families that we serve. If the WRNS staff does not feel that our program is meeting the needs of parents and/or child, they will discuss the matter with the family to determine the cause and decide the best course of action. If the child cannot make the adjustment based on the course of action, we reserve the right to remove the child from the program.

Reporting Child Abuse

New York State Child Protective Services Act requires school personnel to report any suspicion of child abuse and maltreatment, including neglect, mental abuse, bruises, burns, strange cuts, etc. Parents will be contacted and told that a report was made to the Monroe County Department of Social Services.

What are the Security Measures for the School?

Security is taken very seriously at WRNS. Fire drills are practiced regularly and there is constant supervision of our students. All doors into the building and on the playground remain locked after drop off. The First Unitarian church has emergency and evacuation plans posted throughout the building.

Children with Special Needs or Disabilities

The families and staff members of Winton Road Nursery School believe in the practice of inclusion or placing students with mild disabilities and special educational needs into a regular classroom. Communication and cooperation between the Winton Road Nursery School Staff, the service provider, and the families is essential for this experience to be successful for all involved.

Following are guidelines which Winton Road Nursery School has developed to facilitate the success of this process:

1. The family of a child with a disability or special needs should visit Winton Road Nursery School. They should discuss the needs of their child and the Winton Road Nursery School program with the Head Teacher and with their child's service provider to determine whether enrollment at Winton Road Nursery School is appropriate.
2. Shortly after registration you will be receiving forms (personal history, medical, immunization, and emergency). Please include as much information as possible about your child's condition and needs, his or her IEP or IFSP and other relevant information. This will help us to better meet your child's needs. (Release of Information Form enclosed).
3. Winton Road Nursery School will work with Monroe #1 BOCES, Rochester Hearing and Speech Center, or the home school district of the child or other appropriate service providers.
4. Families already receiving services must notify the CPSE (Committee on Preschool Special Services) or Early Intervention and Winton Road Nursery School who the service providers will be.
5. Families who are seeking to receive services through the CPSE or Early Intervention should indicate that their child is or will be attending Winton Road Nursery School and extend efforts to coordinate communications between their child's service providers and the WRNS teaching staff.
6. Service providers must communicate with the WRNS Director(s) and the individual teacher to coordinate implementation of services into our program.
7. If more than one service is to be provided for an individual child, the child's teacher and the service provider should meet to coordinate planning.
8. If more than one child will be receiving the same service (e.g., speech therapy) every possible effort will be made to have the same individual providing this service.
9. Because the goal is for the child receiving the services to have an inclusive school experience it is especially helpful when the service provider can work within the classroom setting and integrate the service into the daily routine. This must be done in a manner and at a time acceptable to all involved.
10. WRNS prefers an integrated therapy approach. If the service must be provided on a pull out basis it is preferred that this be done just before or after our class sessions. However, parents and the CPSE should be made aware that our 3-5 year old morning program runs from 9-12 am. When designing a plan for the student, the committee should allow for a small group option to be available at the service providers' and WRNS Staff discretion.
11. It is most important to inform WRNS about your child and any special needs he or she may have or need and any special services that your child is participating in. Everyone needs to communicate and work together to make the pre-school experience positive and productive.
12. If a child has an IEP or IFSP, this information needs to be shared with WRNS staff so that we may best meet the needs of each child. Withholding this information makes it difficult for both the student and teachers involved.

13. The WRNS Director(s) will work together with the service providers to determine if services rendered are effective and productive and not interfering with the purpose and nature of the WRNS program or any daily activities.

14. Service providers are allowed in the Young Nursery program at the discretion of the Director(s) and Board.

15. WRNS staff requests copies of reports concerning services provided at our facility so that we may be made aware of progress of the children and the nature of services being provided.
